

Accelerated Title™

Leading innovation,
from dealer to lender.

More Payoff. Less Process.

Discover Accelerated Title™, the breakthrough lender solution that delivers unparalleled business efficiency.

Accelerated Title reduces the time it takes to process vehicle title payoff and title release by up to 70 percent*. Its power and speed streamlines the vehicle payoff process, creating cost savings and faster title release to dealers. Features and benefits include:

- **Reduction in payoff exception processing, including short pays.**
- **Increased efficiency and lower costs needed to support vehicle payoff.**
- **Integration that improves the dealer experience.**
- **Decreased dealer inquiries regarding payoff and title status.**

Integrated Innovation.

Four integrated components ensure a streamlined process and successful transaction.

Payoff Quotes

Receive payoff requests directly through Dealertrack and provide a precise payoff amount directly to dealers.

Electronic Funding

Expedite delivery of funds within 4-6 days with ACH processing.

Summary Reports

Supply dealers with a convenient way to review statements and transactions.

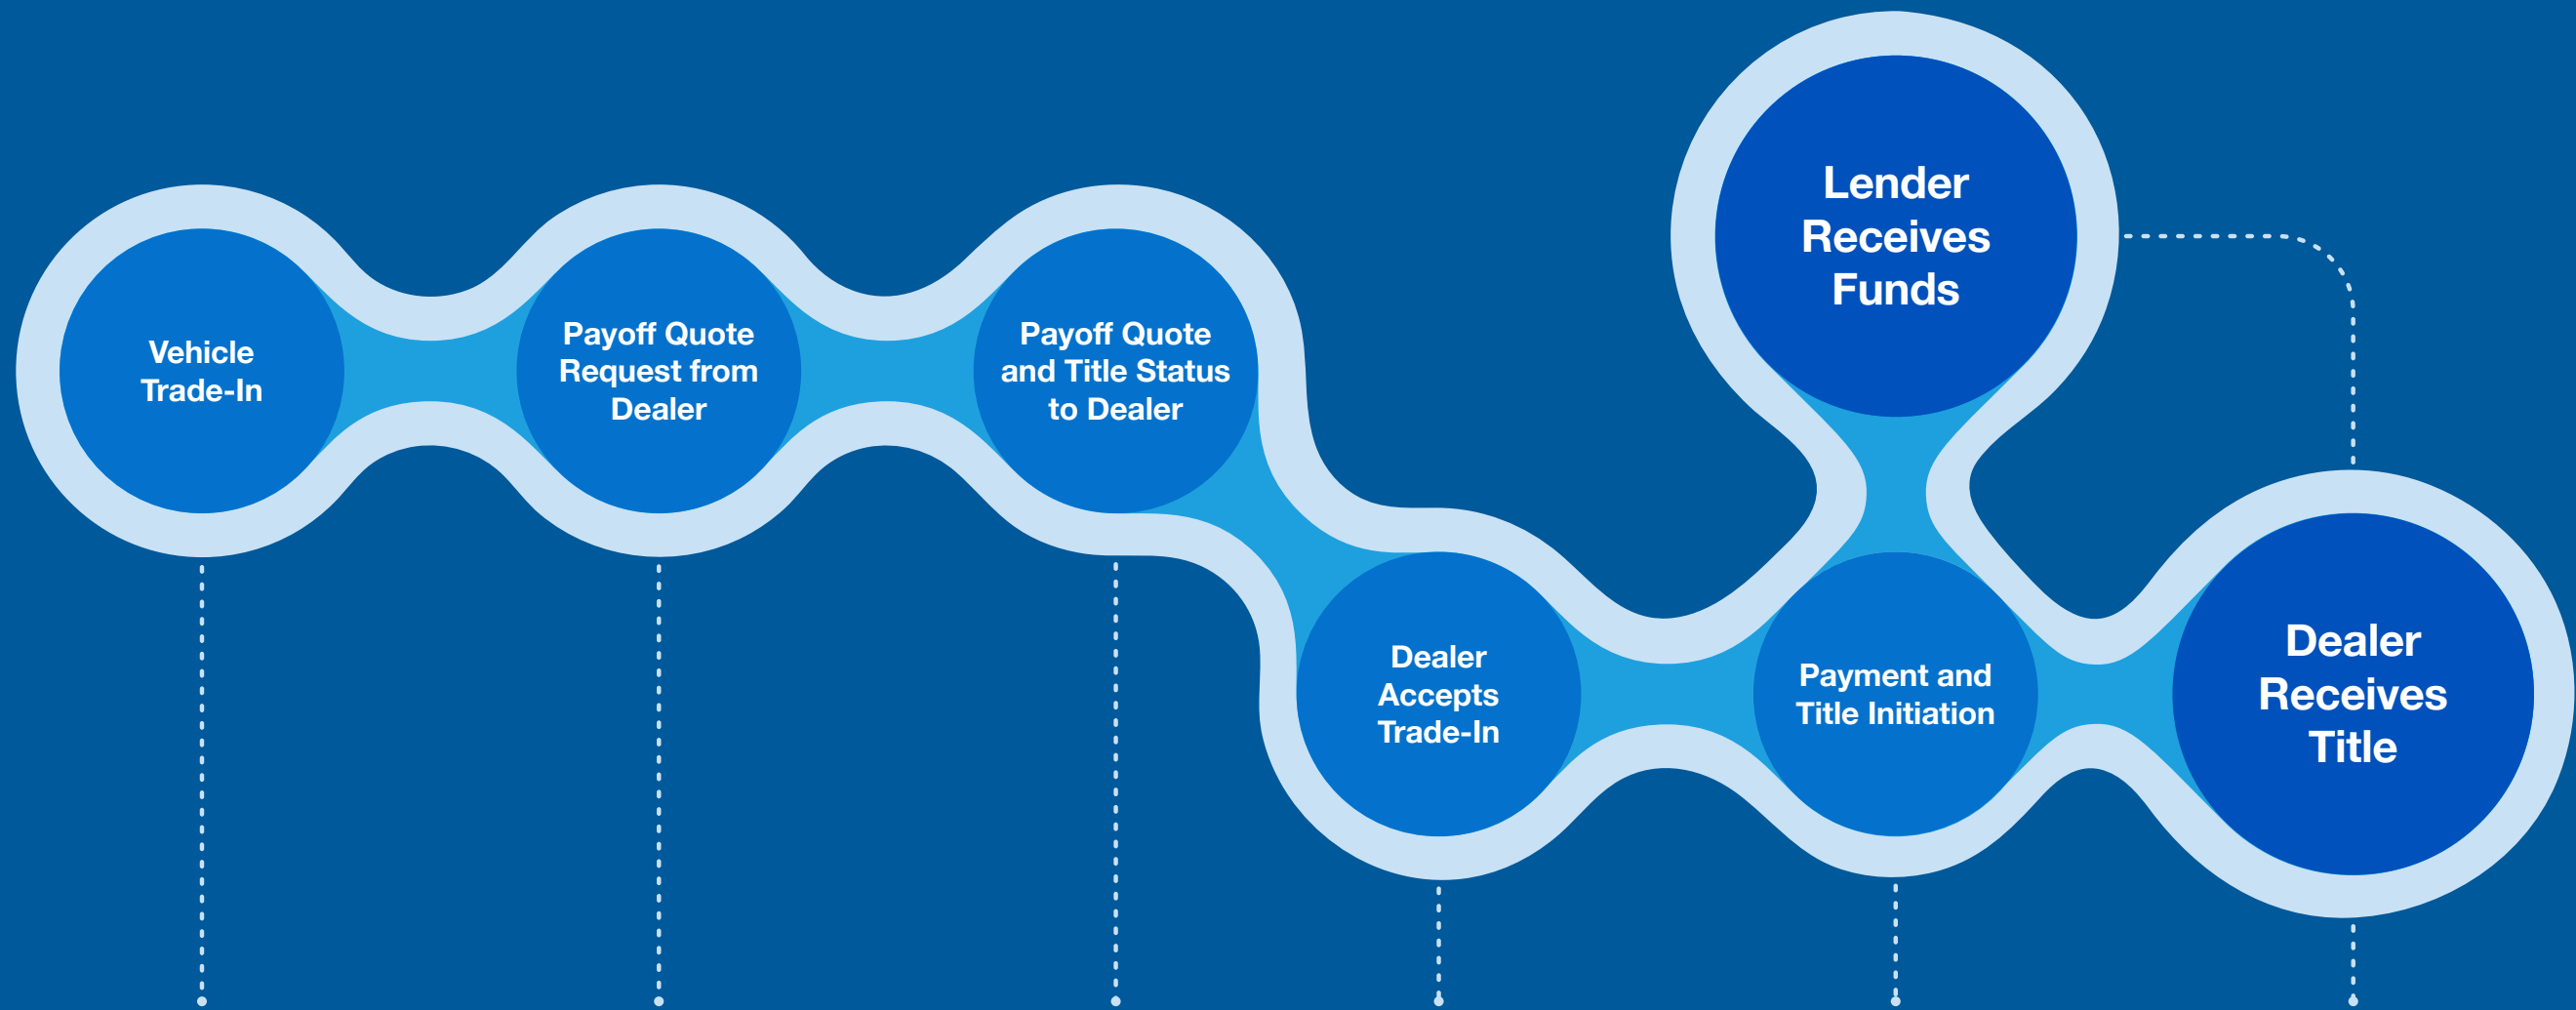

Status Tracking

Provide direct access to track title status, which means fewer calls coming in to your staff.

How Accelerated Title™ Works.

Title release and vehicle payoff processing has changed. Are you ready for the switch to a more streamlined future?

Dealertrack performs over 28,000 transactions per day, and holds more than 42 million titles: This experience makes us uniquely qualified to provide you with a solution that will help your business move faster, smarter and more efficiently.

1. Consumer brings trade-in car to dealership with payoff balance remaining.

2. Dealer requests payoff quote using Dealertrack.

3. Payoff quote and title availability is returned to dealer through Dealertrack.

4. Dealership accepts trade based on payoff quote delivered through Dealertrack.

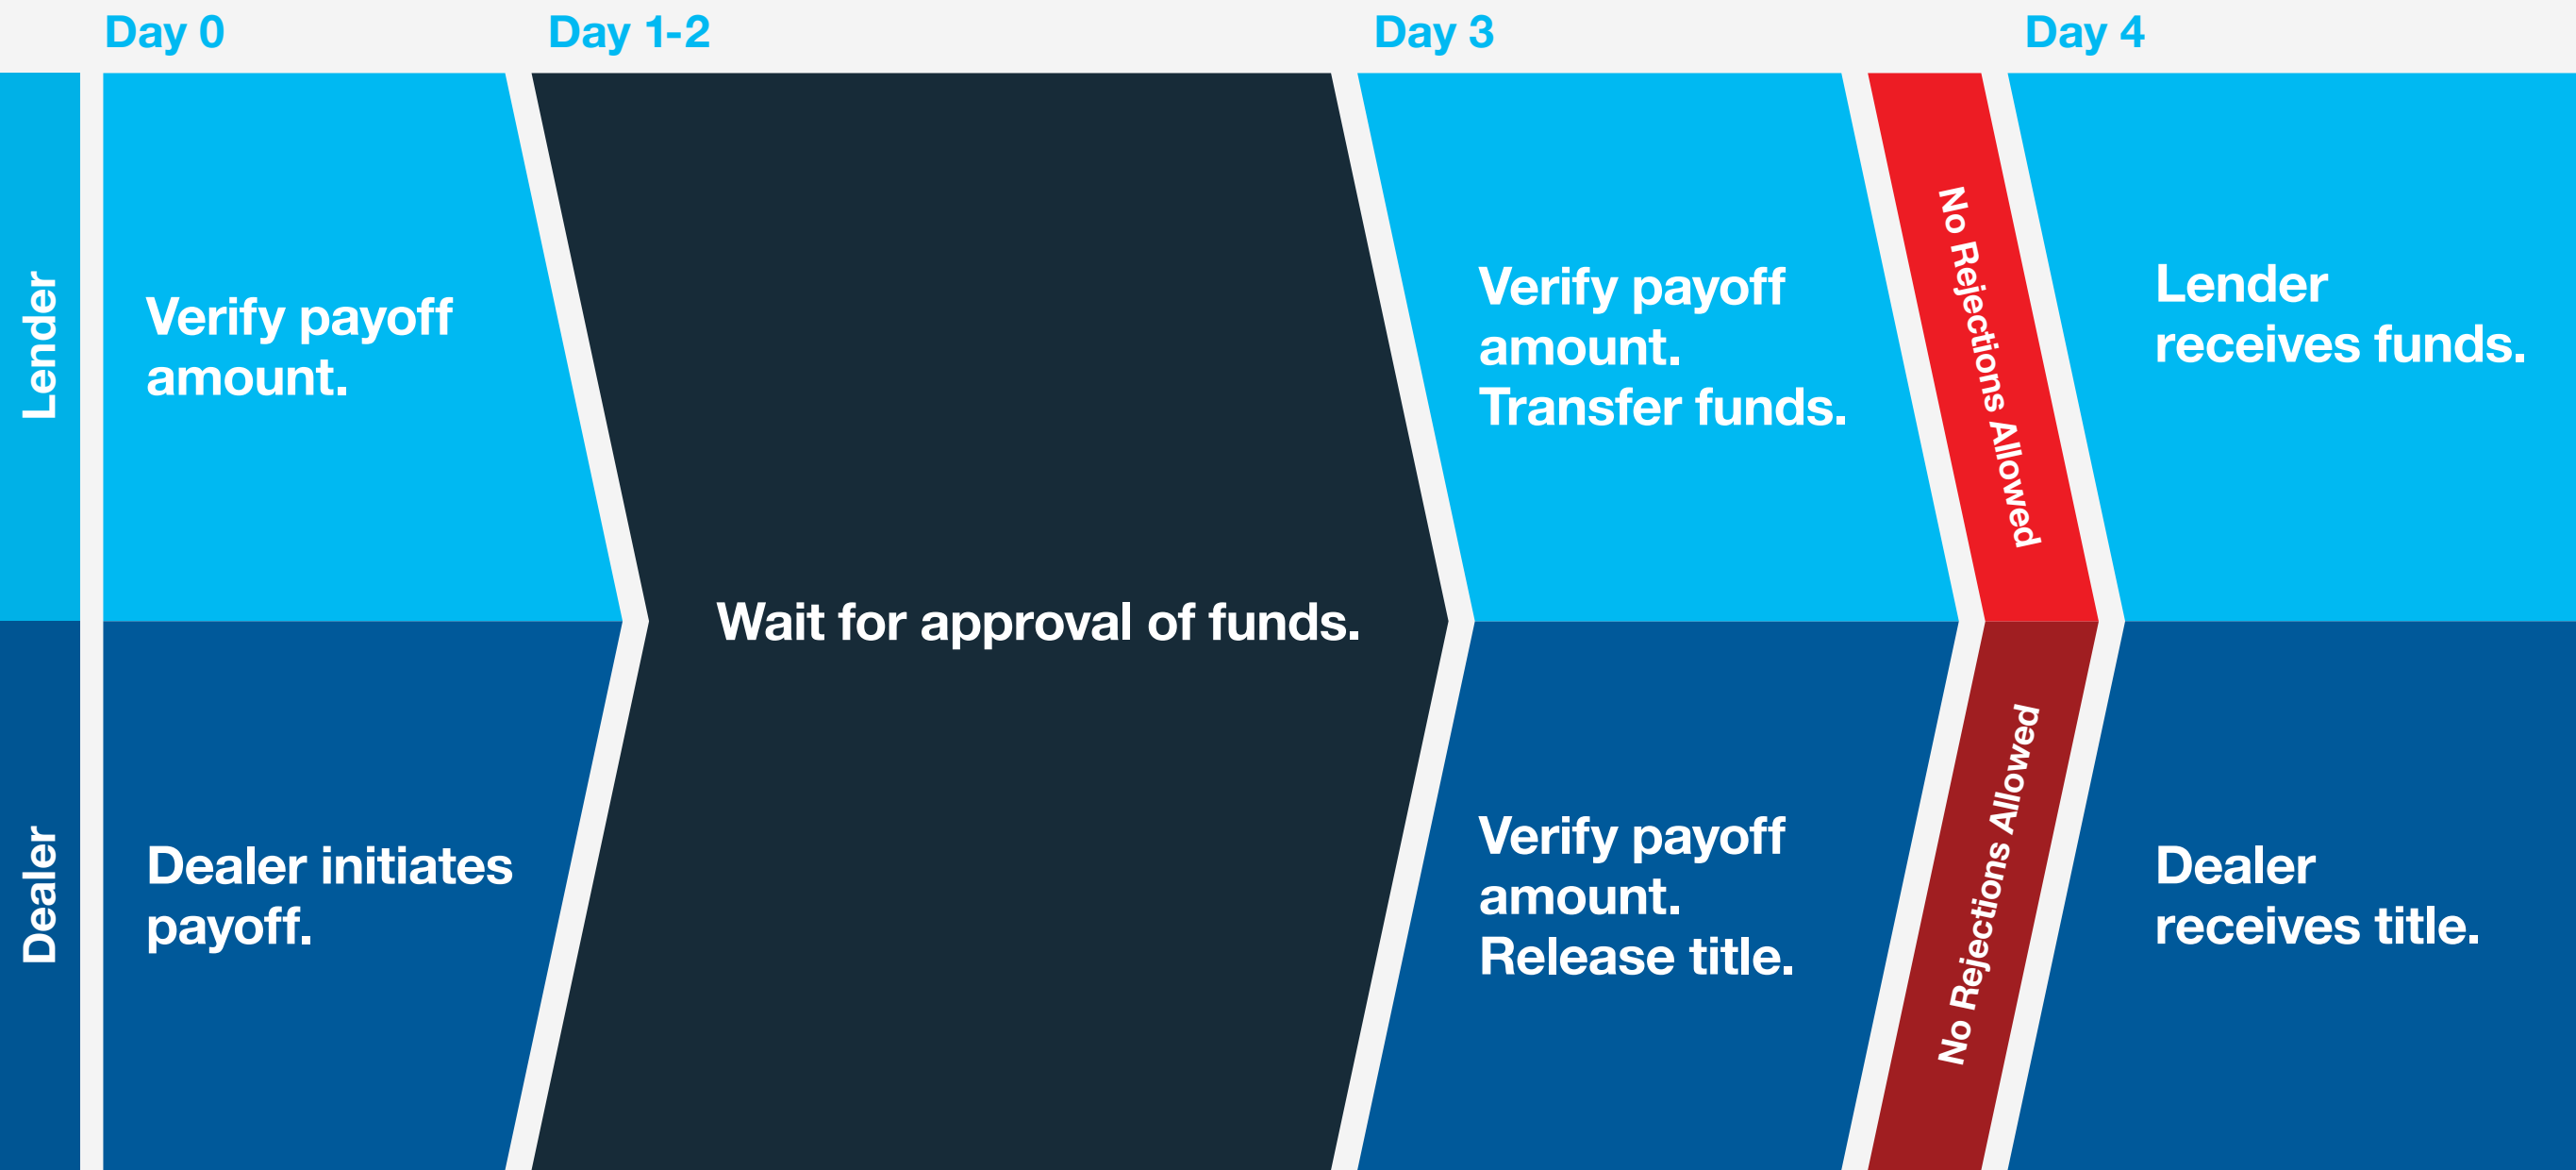

5. Dealertrack initiates payment via ACH to lien holder and title release to dealer.

6. Lender receives funds same day dealer receives the title.

A Faster Funding Lifecycle

Accelerated Title™ reduces payoff and title release time from weeks to days.

Title release occurs on the same day payoff occurs, reducing the standard funding “lifecycle” of about 12 days to just four. That’s the benefit of total integration between dealer and lender.

Stronger Dealer Relationships.

Accelerated Title™ delivers improved service to dealers within a fast and consistent process.

Complete and efficient integration with your dealer partners creates a value-oriented title release experience. Dealer benefits include:

- **Faster title release that increases inventory turn.**
- **Dependable and consistent process that dealers can rely on.**
- **Accurate payoff quotes that reduce short pays and problems with payoffs to lenders.**
- **Always-on reporting and tracking that gives dealers the insight they need when they need it, including status of title and statement information.**

Complete. Capable. Connected.

Dealertrack, a Cox Automotive brand, is the leading provider of integrated web-enabled tools and services designed to transform how the world buys, sells and owns cars. In addition to operating the largest online credit application network in the United States, our market-leading suite of technologies for lenders includes platforms for loan originations, digital contracting, digital document services, vehicle title administration, as well as data analytics for tracking business metrics. Our lender solutions work in tandem with our dealer solutions, including Dealer Management Systems (DMS), Sales and F&I, Digital Marketing, CRM, Registration and Titling, and more to create a seamless process we call the Dealflow Advantage. By connecting thousands of lenders to more than 22,000 dealers nationwide, our Dealflow Advantage drives growth and efficiency through the entire origination, contracting and vehicle title management lifecycle for captives, national and regional banks, credit unions and other financial organizations.
