## Features and Benefits

- Use the intuitive, user-inspired application to estimate motor vehicle fees and taxes, generate transaction-specific checklists, access state-specific forms, and more
- Review the transaction checklist with your customer before they leave the showroom, virtually eliminate call-backs for missing information and shorten transaction completion times
- Professional Deal Audit services review all documents to help ensure completeness of all paperwork, 100% compliance with all state requirements, and accurate lien perfection
- Online workflow management tools help you to track deal status electronically, view notes on each transaction, and download transaction list to spreadsheet
- Industry-leading completion times\* help minimize customer wait times and drive higher customer satisfaction

\*Transaction completion times will vary by state

## Training and Support

- Winner of Omega NorthFace ScoreBoard Award<sup>SM</sup> three years in a row for achieving excellence in customer satisfaction for technical support and exceeding customer expectations
- First-call/same-day case resolution of many complex issues thanks to our direct access to motor vehicle personnel in all 50 states
- Continuous education and training available through remote and onsite training, webinars, an extensive online knowledge base, and more
