

ACCELERATED TITLE

The payoff & title release process that pays off.

MORE PAYOFF. LESS PROCESS.

Accelerated Title cuts lender turnaround time in half.

Accelerated Title enables lenders to combine their Dealertrack Network benefits with their Collateral Management benefits to drive even more efficiency within their organization. An online payoff quote and payment process that then triggers title identification and release means higher payoff accuracy and less time consumed with dealer/insurer support calls, manual payment processing and title tracking.

*Based on average industry timeframe for vehicle title release and vehicle payoff process of 18+ days, as determined by Dealertrack data.
