Last updated 2023

# Accelerated Title streamlines your payoff and title release process in 3 easy steps

## 1. Get your payoff quote

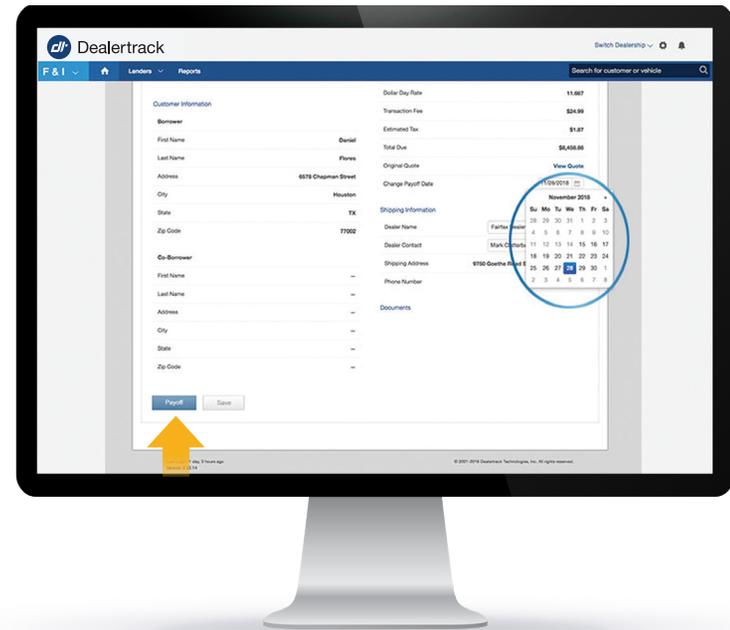

You can search for a saved Payoff Quote, or click the **Obtain a Payoff Quote** button to start a new one. Proceed to enter payoff details.

Obtain a Payoff Quote

## 2. Finalize the details

Easily adjust the payoff date to receive an accurate quote. Quotes can be saved for 60 days, or you can click the **Payoff** button to proceed to payment.

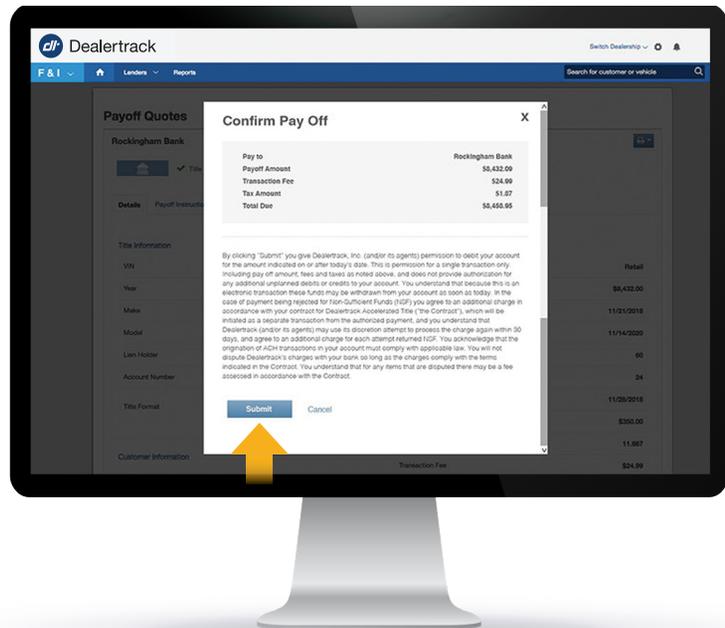

**Note:** the “Payoff” button is available only to those selected by the dealership’s admin

## 3. Submit to expedite

When the dealer chooses to proceed with the payoff, this confirmation window appears.

Clicking **Submit** completes the transaction: payment is sent to the lender via ACH transfer.

## What this means for you:

Using Accelerated Title speeds the payoff and title release process to as fast as 4-6 days, expediting the process from weeks to days!\*

- You have the power to keep trade-in titles moving fast.
- Save time and resources with 24/7 tracking and reporting.
- Increase accuracy and avoid payoff surprises with the ability to view title details and provide precise payoff quotes.
