

# STAY AHEAD OF PAYOFF AND TITLE RELEASE DELAYS

## INVENTORY SITTING IDLE?

Dealers find, waiting too long for clean titles on trades slows inventory turn.

## BLUE LIGHT AT AUCTION?

No title in hand reduces your chance of selling on first pass down the lane.

## HOLDING COSTS ADDING UP?

Slow title processing keeps vehicles on your lot longer, and affects your bottom line.

## LET US HELP YOU:

Release titles up to

**70%** faster<sup>1</sup>

Nearly double your chances

**2x** of selling at auction on first pass<sup>2</sup>

Drive up cashflow

**\$\$\$** on trade-ins

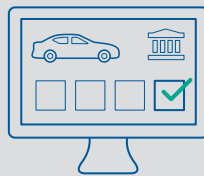

## DEALERTRACK ACCELERATED TITLE<sup>®</sup> HELPS:

### SAVE TIME

Expedite the payoff and title release process from weeks to days<sup>1</sup>, so you can speed up inventory turn.

### INCREASE CONFIDENCE

24/7 title status tracking and reporting streamlines your workflow, provides real-time visibility into title status, and helps you plan for auction success.

### PROTECT PROFITABILITY

Reduce trade-in vehicle holding costs for each day a car sits on your lot allowing cash to flow and profits to grow.

<sup>1</sup> Based on 4-6 day turn around with Accelerated Title vs. industry average of 18+ days for vehicle title release and payoff process (average determined by Dealertrack data).
