

Profitable Transactions. Simplified.

Dealertrack Georgia In-State Registration & Title Solution

Your Complete Solution

- Save your dealership time and money with a live, electronic connection to Georgia's DOR that helps you submit transactions in under 4 minutes.¹
- Eliminate manual check writing with ACH transfers.
- Maintain compliance with automatic updates.
- Local scanning office provides paperwork auditing.

Workflow Efficiencies

- Submit in-state transactions 35% faster with DMS integration.²
- Single-page workflow minimizes page switching for organized, efficient transactions.
- Get real-time deal status updates.
- Manage inventory of TOPS.
- Journal writeback to DMS (CDK, Dealertrack or Reynolds & Reynolds).
- Gain a simplified and intuitive process backed by Smart Help.

Accuracy & Reliability

- Calculate exact taxes and fees.
- Catch issues as you work with accuracy checking.
- Access void function in the app, if needed.
- NMVTIS inquiries provide visibility to title history to protect your dealership and customers.

Only on Dealertrack

- Deal Alerts feature.
- "Show Me How" self-help tool.
- One set of login credentials for multiple-store processors.
