

INDUSTRY EXPERTS FROM TRADE-IN TO VEHICLE SOLD

DRIVE EFFICIENCY

Trade-In Titling (Accelerated Title)

- Streamline your payoff and title release process up to 70% faster.¹

In-State Title

- Enable real-time, electronic title processing with intuitive, digital interface.

Out-of-State Reg & Title (RegUSA[®])

- Complex transactions made simpler with intuitive interface guiding to deal completion.

ENSURE ACCURACY

Trade-In Titling (Accelerated Title)

- Gain status insights and calculate accurate payoff amounts in real-time.

In-State Title

- DMS batch import reduces manual data entry inaccuracies.

Out-of-State Reg & Title (RegUSA[®])

- Append deals quickly to ensure accurate details for quick deal submission to DMV.

INCREASE PROFIT OPPORTUNITY

Trade-In Titling (Accelerated Title)

- Speed title release to turn inventory fast and reduce holding costs.

In-State Title

- Streamline back-office processing and help maximize profit opportunity with a user-inspired digital interface.

Out-of-State Reg & Title (RegUSA[®])

- Build deals with detailed taxes and fees to ensure best deal for each customer.

¹Based on average industry timeframe for vehicle title release and vehicle payoff process of 18+ days, as determined by Dealertrack data.
